01 Rain & temperature

Read the conditions at their source.

SKU	INSTRUMENT / SPECIFICATION	UNIT	LIST	10+	LEAD
RG-100	Glass rain gauge Manual, 250 mm capacity · graduated cylinder	ea	\$48	\$43	Stock
RG-220	Tipping-bucket gauge 0.2 mm resolution · pulse output	ea	\$245	\$220	5 days
RG-240	Heated rain sensor All-season bucket · 12 V DC heater	ea	\$425	\$382	10 days
TP-110	Min/max thermometer Outdoor dial · -40 to 50 °C	ea	\$88	\$79	Stock
TP-310	Shielded temperature probe Pt1000 · 3 m cable · passive shield	ea	\$165	\$148	5 days
TP-420	Aspirated radiation shield Fan-assisted · probe sold separately	ea	\$315	\$284	10 days

How to read the list “10+” applies to quantities of ten or more of one SKU on one order. Lead times are estimated business days before dispatch. All prices are illustrative.

INSTRUMENTS / CONTINUED

Measure what moves.

Reliable readings, whether the forecast agrees or not.

02 Wind

From direction to the details.

SKU	INSTRUMENT / SPECIFICATION	UNIT	LIST	10+	LEAD
WD-120	Field wind vane Balanced alloy tail · analog output	ea	\$132	\$119	Stock
WS-210	Cup anemometer 0.5-60 m/s · replaceable bearing	ea	\$198	\$178	5 days
WS-260	Ultrasonic wind sensor No moving parts · RS-485 output	ea	\$640	\$576	15 days
WS-310	Storm station head Heated ultrasonic sensor · 24 V DC	ea	\$785	\$706	15 days

03 Pressure & electronics

Make the reading useful.

SKU	INSTRUMENT / SPECIFICATION	UNIT	LIST	10+	LEAD
BP-140	Bench barometer Analog dial · 950-1050 hPa	ea	\$275	\$248	5 days
BP-320	Pressure transducer Digital · 300-1100 hPa · RS-485	ea	\$390	\$351	10 days
DL-200	Four-channel data logger Onboard storage · USB export	ea	\$445	\$401	5 days
DL-400	Solar telemetry gateway Cellular-ready · enclosure and panel	ea	\$920	\$828	15 days

Planning a complete station?

Pair a sensor with a mount and logger from this list. Northline can prepare a single consolidated quotation using your selected SKUs.

HARDWARE & SERVICE

Complete the station.

The parts that keep a good measurement going.

04 Mounts, parts & calibration

Built to stay in the field.

SKU	ITEM / SPECIFICATION	UNIT	LIST	10+	LEAD
MT-100	Wall-mount bracket Powder-coated steel · 250 mm reach	ea	\$48	\$43	Stock
MT-220	Two-meter field tripod Adjustable legs · ground stakes included	ea	\$235	\$212	5 days
MT-310	Station mast kit 3 m mast · guy lines and anchors	kit	\$320	\$288	10 days
SP-500	Replacement impeller kit For WS-210 · bearing and cups	kit	\$62	\$56	Stock
CB-100	Temperature probe calibration Bench check · results sheet included	svc	\$95	\$86	7 days
SV-200	Station sensor bench check Single sensor · results sheet included	svc	\$165	\$149	7 days

BEFORE YOU ORDER

A few useful details.

01 / PRICING

USD per unit. “10+” pricing applies to ten or more of the same SKU on one order. Prices exclude sales tax and freight.

03 / CALIBRATION

Service lead times start when Northline receives the instrument. Return shipping and any repairs are quoted separately.

02 / AVAILABILITY

“Stock” means ordinarily ready to dispatch. Other lead times are estimated business days before dispatch, subject to confirmation.

04 / ORDERING

Send SKU, quantity, and delivery location to orders@northline.example. A written quotation confirms availability and charges.

Illustrative sample document. Northline Field Instruments, its products, contact details, and prices are fictional. No goods or services are offered for sale.
